

## Colorado Congressional Directory

Three returning members of Colorado's congressional delegation—Udall, Salazar and Perlmutter—cosponsored the enhanced tax incentive for conservation easements in the 110<sup>th</sup> Congress, but only Rep. Salazar has signed on in the new Congress. We need your help! Representatives can cosponsor legislation to be introduced by Congressman Mike Thompson (D-CA) and Eric Cantor (R-VA) by calling Travis Robey at 5-3311. Senators can cosponsor legislation to be introduced by Senator Max Baucus (D-MT) by calling Jo-Ellen Darcy at 4-3247. Thank Representatives who cosponsor and urge them to join the Land Conservation Caucus by contacting Jesse Young in the office of Rep. Chris Murphy (D-CT).
