

# Colorado Congressional Districts

Cosponsors of easement incentive legislation are highlighted. Senator Udall cosponsored H.R. 1576 as a member of the House, but will need to cosponsor Senate legislation in the new Congress. Senators can become original cosponsors by calling JoEllen Darcy at the Finance Committee. Representatives should call Travis Robey in the office of Rep. Mike Thompson (D-CA) or Wayatt Stewart in the office of Rep. Eric Cantor (R-VA)

-  Representative is an original cosponsor in the 111th Congress
-  Representative cosponsored last year, but needs to sign on in the new Congress
-  Representative is not a cosponsor
